

NMFs-CSL Database Release Agreement

NON-EXCLUSIVE LICENSE AGREEMENT

This Non-Exclusive License Agreement (“Agreement”) is made between the Visual Sign Language Research Group (VSLRG) of CAS Key Laboratory of Technology in Geo-spatial Information Processing and Application System (GIPAS), University of Science and Technology of China (USTC) and _____

(Please fill in the name of your research group or laboratory on the line.)

The NMFs-CSL Chinese sign language database was constructed by Visual Sign Language Research group, CAS Key Laboratory of Technology in Geo-spatial Information Processing and Application System (GIPAS), University of Science and Technology of China (USTC). NMFs-CSL dataset aims at aiding research efforts in the area of developing, testing and evaluating sign language recognition algorithms. The images, videos, and annotation files in this dataset will be publicly available, but for RESEARCH PURPOSE ONLY. VSLRG is serving as the technical agent for the distribution of the database and reserves the copyright of all the data in the database, including all the images, videos, and text files.

The Licensee’s researchers who request the NMFs-CSL database must sign this non-exclusive license agreement and thereby agree to obey the restrictions listed in this document. Failure to observe the restrictions might result in access being denied for the request of the future version of the NMFs-CSL database and being subject to civil damages in case of publication of images and other related data that have not been approved for release. The researcher(s) agrees to the following restrictions on using the NMFs-CSL database:

1. This agreement grants a non-exclusive, non-transferable, revocable and limited license to the Licensee to use the Dataset *for the purpose of undertaking the Licensed Research Activity only, NON-COMMERCIAL USE.*
2. *Any data, including but not limited to the images, videos, text annotation files in the database, will never be released in commercial materials, newspapers, or other public media.* The data will be used for the purpose of academic researches only.
3. *The NMFs-CSL database, in whole or in part, will not be used for any commercial purpose in any form, including but not limited to using the whole or part of the data for sales, product promotional activities, and/or for training algorithms or other technology that is used or is intended to be used for commercial use or sold as or incorporated into a commercial product.*
4. *The database will not be re-distributed, published, copied, or further disseminated in any way or form whatsoever, whether for profit or not.* This includes further distributing, copying or disseminating to a different facility or organizational unit in the requesting university, organization, or company. *The Licensee shall not make or permit anyone to make any copies of the whole or any part of the Dataset without the prior written agreement with VSLRG.* The Licensee shall not sub-license the whole or any part of the Dataset or make the Dataset available for any use by third parties without VSLRG’s prior written consent.
5. *The Licensee shall avoid using part of the data where the identity of individuals is readily recognizable from such part either as a stand-alone extract or where combined with other materials (including images, text, content analyses, summaries or interpretations).*
6. On request from VSLRG, the Licensee shall provide (and if applicable shall ensure that any sub-contractors and agents shall provide) the VSLRG with such access (including access to such parts of the Licensee’s and any sub-licensee processes and systems that are used for processing the Dataset) as *VSLRG may reasonably need to review the use of the Dataset within the terms of this Agreement.*
7. The final explanation of this agreement refers to GIPAS.
